STATE COMMERCIAL BANK OF TURKMENISTAN "TURKMENBASHI"

STATEMENT OF MANAGEMENT'S RESPONSIBILITIES FOR THE PREPARATION AND APPROVAL OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2019

The following statement, which should be read in conjunction with the independent auditors' responsibilities stated in the independent auditors' report, is made with a view to distinguish the respective responsibilities of management and those of the independent auditors in relation to the financial statements of State Commercial Bank of Turkmenistan "Turkmenbashi" (the "Bank").

Management is responsible for the preparation of the financial statements that present fairly the financial position of the Bank as at December 31, 2019, the results of its operations, cash flows and changes in shareholders' capital for the year then ended, in accordance with International Financial Reporting Standards (hereinafter the "IFRS").

In preparing the financial statements, management is responsible for:

- selecting suitable accounting policies and applying them consistently;
- making judgments and estimates that are reasonable and prudent;
- compliance with IFRS; and
- preparing the financial statements on a going concern basis, unless it is inappropriate to presume that the Bank will continue in business for the foreseeable future.

Management is also responsible for:

- designing, implementing and maintaining an effective and sound system of internal control, throughout the Bank;
- maintaining proper accounting records that disclose, with reasonable accuracy at any time, the financial position of the Bank, and which enable them to ensure that the financial statements of the Bank comply with IFRS;
- maintaining statutory accounting records in compliance with legislation, accounting standards of Turkmenistan and requirements set by the Central bank of Turkmenistan;
- taking such steps as are reasonably available to them to safeguard the assets of the Bank; and
- detecting and preventing fraud and other irregularities.

The financial statements for the year ended December 31, 2019 were approved and authorized for issue on December 28, 2020 by the management of the Bank.

On behalf of the Management:

Jumaglylyov Jumaglylych
Chairman of the Management Board
December 28, 2020
Ashgabat, Turkmenistan

Sarjayeva Ogulsheker
Chief Accountant

December 28, 2020
Ashgabat, Turkmenistan

INDEPENDENT AUDITORS' REPORT

To the Management Board of the State Commercial Bank of Turkmenistan "Turkmenbashi":

Qualified Opinion

We have audited the financial statements of State Commercial Bank of Turkmenistan "Turkmenbashi" (the "Bank"), which comprise the statement of financial position as at December 31, 2019, and the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matters discussed in the first and second paragraph of the Basis of Qualified Opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Bank as at December 31, 2019, and its financial performance and cash flows for the year then ended, in accordance with International Financial Reporting Standards (IFRSs).

Basis for Qualified Opinion

Evaluation of impairment of the loan portfolio

The Bank calculates the provision for expected credit losses on loans to customers, according to the instruction of the Central bank of Turkmenistan (hereinafter "CBT"), which differs from the approach of International financial reporting standards and specifically with the provisions of IFRS 9 "Financial Instruments" (hereinafter – IFRS 9). As at December 31, 2019 and 2018, the provision for expected credit losses amounted to 463,264 thousand manat and 362,886 thousand manat, respectively (Note 13). Due to IFRS 9 became effective from January 1, 2018 the approach to valuation of the loan portfolio and determining the amount of allowance for expected credit losses has changed. As at the reporting date, the Bank has not implemented IFRS 9 for valuation of expected credit losses on loans to customers, consequently we were unable to estimate the difference between the final results of the calculation of the provision for expected credit losses in accordance with the CBT instruction and the IFRS 9 approach, and the impact of this discrepancy on the assessment of the Bank's loan portfolio and the amount of allowance for expected credit losses in the financial statements as at December 31, 2019.

As at reporting date the Bank's loan portfolio includes a number of large borrowers, such as the SC "Turkmenhimiya", SC "Turkmengaz" and the Ministry of Railways of Turkmenistan, each of them has several loans. The total amount of loans granted to these borrowers is 4,332,108 thousand manat, 8,255,523 thousand manat and 1,093,797 thousand manat, respectively. Loans to these borrowers were issued in accordance with the Decree of the President of Turkmenistan under the state program for the development of the hydrocarbon sector utilizing the funds received by the Bank from the Central Bank of Turkmenistan. Some of the loans of these borrowers have expired and have been prolonged. The Bank's management has calculated and accrued the allowance for expected credit losses on these borrowers in the amount of 109,951 thousand manat, 210,878 thousand manat and 29,093 thousand manat, respectively.

We do not agree with some assumptions made by the Bank for the purposes of classifying these loans and determining the amount of the allowance for expected credit losses on these loans as at the reporting date. There are objective signs of deterioration in the financial condition of the borrowers, the quantitative assessment of expected credit losses for these borrowers can be significantly underestimated.

Revaluation of fixed assets

As described in Note 15, the Bank performed revaluation of its property, plant and equipment. As at December 31, 2019 the fair value adjustment was amounting to 16,708 thousand manat (16,996 thousand manat as at December 31, 2018). The revaluation was made using various indices prescribed by the Ministry of Finance of Turkmenistan which does not conform to the requirements of IAS 16 "Property, Plant and Equipment" and IFRS 13 "Fair Value Measurement". We were unable to determine the impact of this departure from International Financial Reporting Standards and consequently to quantify the effect of this departure on the amounts reported in the financial statements as property, plant and equipment, depreciation expenses, revaluation reserve and retained earnings.

Material Uncertainty related to going concern

We draw your attention to Notes 13 and 29 to the accompanying financial statements. As at December 31, 2019 the Bank does not comply with some prudential requirements prescribed by the Central Bank of Turkmenistan. The Bank is undergoing the regular inspections from the Central Bank of Turkmenistan, the last one being performed in 2019. Also, the Bank sends reports to the Central Bank on a monthly basis, which include information on compliance with prudential requirements and did not receive any warning reports on this regard. Additionally Bank's capital adequacy ratios are well above the minimum required capital (Note 27) however the Bank cannot estimate the effect on the ratios from the implementation of IFRS 9.

The above conditions if materialize within next 12 months from the approval of these financial statements may adversely affect the Bank's going concern assumption. Our opinion is not modified in respect of this matter.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Turkmenistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Valuation of assets

As described in Note 14 as at December 31, 2019 the Bank had a subsidiary entity SE "Tyaze Durmush". Since the entity is not a core business of the Bank and the Bank's management does not expect to receive any benefit from it, the Bank assessed the asset and decided to accrue allowance for impairment. The estimate of the required amount of the allowance was made on the basis of available information at the time of issuance of the financial statements and fully reflects the possibility of loss of the Bank's assets.

How we addressed the matter

Our audit procedures included among others to obtain a detailed understanding of the methodology for calculating the impairment of investments of the Bank, we assessed the adequacy of the Bank's methodology for identifying impairment indicators.

In addition, we evaluated the design and operating effectiveness of internal controls implemented by management in the computation of allowances, including:

- Checks for timely identification of indications of impairment, if any
- Checks on regular reviews by management, the calculation results for the impairment of investments and related allowances.

We applied professional judgment to evaluate the factors to be taken into account in determining the loss of value and compared the results with those of the Bank. We assessed the completeness and adequacy of the Bank's financial statements disclosures on investments.

Other matter

The financial statements of the Bank for the year ended December 31, 2018 were audited by another auditor who expressed a modified opinion on those statements on April 30, 2019.

This report, including the opinion of the auditor, was prepared and intended solely for information and use by the Bank's management. To the maximum extent permitted by law, the audit was carried out in order to provide all the information required in the audit report and not for any other purposes. We are not responsible for the use of information for other purposes or by other users who may ever become familiar with this report.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Bank's financial reporting process.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also perform the following:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
